PROBATE WILL OF PRESIDENT WINDER

Document Directs Distribution of Personal Property Valued at \$125,000.

The last will and testament of the late John R. Winder was filed for probate yesterday in the district court, bearing the date of January 17, 1910. The estate of the Mormon church leader, who died on March 27, is valued at \$125,000 in a petition accompanying the will, asking that letters of administration be issued to John R. Winder Jr., John C. Winder and Richard Winder, three sons, and to T. A. Williams and R. G. Miller, who are named as executors in the will. But aside from this \$125,000 there must have been almost as much more, for President Winder says in his last will that he has fully provided for his widow, Maria Burnham Winder, outside of the will and the children by his former wife, though the amount of their competence is not given.

The will directs that the estate shall be treated as a trust fund to be managed by his three sons and two sons-in-law. The property is not specified, but consists of stocks, bonds and a considerable amount of money. The trust fund is divided into eleven equal parts for the children, who follow: John R. Winder, William C. Winder, Alice Winder Bradford, Richard Winder, Mary Ann Winder Stedman, Edwin J. Winder, Matilda Winder Hamilton, Ella Winder Mackay, Gertrude Winder Cannon, Rex Winder and Anna J. Miller.

The will specifies that Maria Burnham Winder, the widow, has been provided for outside of the will, so her name does not appear as one of the beneficiaries under the will. This is also true of the children of his dead wife, Ellen Walters Winder, John R. Winder Jr., John R. Winder, William C. Winder, Carlington, Eliza Winder Mideley and Susan Winder Williams. Outside of the will he also made provision for three grandchildren, who are the children of his dead daughter, Elizabeth Winder Eldredge.

The will states that the real property was disposed of by deed and conveyance and is not mentioned as a part of the estate.

BAR COSTS \$300 A DAY

Saltair Thirst Parlor Pays Quarterly Fee to County.

It cost Albert Herz, proprietor of the bar at Saltair, just \$300 to run his bar on the afternoon and evening of March 25. This was the decision of the county commissioners yesterday, when they had Herz before them to explain why he had sold liquor without a license. Herz said he had intended taking out the license and did not mean to evade the law, but that he was a few days late. In the past the commissioners have charged the resort a pro rata of \$10 a day for every day when the bar was running outside of the regular quarterly season. But at yesterday's meeting it was decided to charge the \$300 for the full quarter for any day when liquor is sold.

DEPORTS FIVE ALIENS

Immigration Inspector Starts East With Quintet of Undesirable Persons.

J. C. Hise, the local immigration inspector, left yesterday for New York, taking with him five persons, who, according to the immigration laws, are undesirable and will have to be deported. The prisoners, who will be placed on board a steamer at New York and shipped back to the countries from whence they came are: Herbert Ford and his two children, Anton Proghoff and Anton Ventigien.

Ford has been an inmate of the State Mental hospital, and it is alleged he became mentally unbalanced, within three years of his coming to this country from Poland. Under the law it was mandatory upon the officials to order his deportation. The Ford children, who are motherless, have been in charge of an aunt in this city since their father was under restraint. They will have to be deported along with their parent.

Anton Proghoff is being deported on the ground that he has contracted tuberculosis within the statutory time after his arrival in this country from Austria.

Anton Ventigien is charged with having come to this country for immoral purposes. She was caught at a resort in Ogden, where she had become an inmate a short time after her arrival from France.

Mrs. Hise will accompany her husband, who will be in personal charge of the prisoners. The local immigration office will, during the four weeks' absence of Inspector Hise, be in charge of Inspector Y. Yattison, from the headquarters at Denver.

BUILDING PERMITS START OFF WELL WITH APRIL

April started off with a good swing yesterday, when ten permits were issued for new buildings and additions at an approximate cost of \$25,100. The permits were:

Mrs. Haag, 522 South Twelfth East street, one-story brick dwelling, \$2,000.
T. G. Anderson, 955 South Lake street, one-story brick dwelling, \$2,500.
J. F. Kline, 362 University street, two-story frame, \$3,000.
Thomas H. Webb, 1045 South Denver street, one-story brick dwelling, \$2,500.
J. H. Sanders, 876 East Ninth South street, frame addition, \$300.
Gustava Wenzbach, 1870 Arapahoe, one-story frame, \$200.
Galagher Machinery Co., 163 Pierpont street, two-story concrete addition, \$3,000.
John A. Forslund, 1143 South Windsor street, one-story brick dwelling, \$2,500.
A. R. Baxter, 352-354 North Main street, two-story double brick dwelling, \$6,000.
Mrs. J. D. H. McAllister, rear 355 East Sixth South street, two-story double brick dwelling, \$3,000.

CRUELTY TO ANIMALS

Man Who Tied Chain to Horse Concludes to Pay Fine.

G. E. Wells was fined \$25 by Judge T. D. Lewis of the district court yesterday for cruelty to animals. Wells had been found guilty in police court, but appealed the case. He did not appear yesterday, but his attorney, C. B. Diehl, formerly police court judge, told the court that Wells would pay a fine out of his cash bond of \$250. In police court it was brought out that Wells had a balky horse which he could not handle. So he tied a heavy chain around the animal's neck, fastened the chain to a team of horses and dragged the balky animal down the street. A. S. Kendall, former humane officer, swore to the complaint. The offense was committed on April 5, 1909.

University Notes

The university debaters who were defeated by the team from the Colorado college at Colorado Springs last Wednesday night, returned to the university yesterday.

Yesterday afternoon several of the superintendents of the county schools were guests of Professor W. M. Stewart, who was in the morning hours they were shown through the various departments, and at noon they were given an informal luncheon in the university lunch room. During the afternoon they inspected the experimental work of the school. Those present were F. M. Young of Utah county; H. W. Valand, Box Elder; B. W. Ashton, Salt Lake; R. V. Larson, Cache; E. M. Greenwood, Sevier; D. C. Woodward, Emery; G. N. Child, Utah, and a number of the members of the school boards throughout the state.

At the meeting of the faculty yesterday, L. Tom Parry was chosen valedictorian for the college class and Miss Flora McCann valedictorian for the normal class. Parry has been one of the foremost representatives of public speaking in the university for the past four years. Since his freshman year he has been actively engaged in class debating and in twice won the championship for his class. During the past year he was the foremost debater in intercollegiate debates, having twice represented the university against outside schools. Miss McCann was a graduate from the Salt Lake high school and was one of the most popular students of her class.

At the meeting of the faculty yesterday, it was decided to raise the maximum number of college hours for summer school six instead of eight, as was the custom in former years, and eight hours of makeup work instead of twelve.

Incorporations

Maple Creek Trout & Resort company, Brigham City; capital stock \$10,000 at \$1.00, 10,000 shares treasury \$1,000. President, George S. Sandera, vice president, John B. Erakson, secretary, W. D. Davis, treasurer, James S. Hull, director.

FUREY PRODS SOCIETY

Convict Upon Receiving Sentence Arraigns Social Focus in Court.

Sentenced to serve 20 years in the state prison for robbing the Finch cafe on November 5 last, John Furey stood before the bar of justice in Judge T. D. Lewis' division of the district court yesterday and made a short and forceful arraignment of society which, he said, forced him to go back to his criminal habits after his freedom from the Utah penitentiary. The sentence of 20 years was imposed by Judge Lewis, and Furey said nothing until after the court had made before and after the conviction by a jury a month ago.

"I am sorry that you should reprimand me for returning to my old life, but what else could I do?" said Furey, speaking to the court. "I was turned out of prison without money and without friends other than those I had associated with before going to prison the first time. I was forced to go to the friends I had made before and was forced back into the life of crime."

In answer to Furey, Judge Lewis pointed out that it was only three days after he had been released from prison that he had held up the Finch cafe, and that his punishment for the former offense should have taught him better. The court said that Furey had not tried to do the right thing and live down the mistakes of the past.

Furey's case will be appealed to the supreme court, but pending further action the convict will be kept in the state penitentiary.

LAST APPORTIONMENT OF SCHOOL FUND MADE

The second apportionment of school money, which will be the last for the year, was made yesterday by State Auditor Jesse D. Jewkes in submitting his statement to A. C. Nelson, state superintendent of public instruction. Within a few days Superintendent Nelson will make the distribution among the various counties of the state. The money handed to the schools for 1910 is about \$4,000 more than last year, though the second apportionment is slightly behind that of a year ago.

From the state school land interest fund, the second apportionment amounts to \$97,480.83, and the district school fund to \$115,362.93.

The first apportionment of money for the schools of the state was made at the close of 1909, which was \$230,000, or about \$12,000 more than for the same apportionments of 1908-9.

MRS. B. G. DAVIS DEAD.

Mrs. Bertha Gillespie Davis, wife of Abraham Davis, a fireman on the Oregon Short Line, died at 8 o'clock Sunday evening of Bright's disease at her residence, 648 West Fourth North street. The funeral will be held at 12 o'clock Wednesday in the Twenty-eighth ward meeting house. Mrs. Davis was 22 years of age and the daughter of A. S. and Jennie Wendell Gillespie. Eight brothers and sisters survive her. They are George W. Atton, Florence, Gilbert, John, Claude, Leonard and Vernon Gillespie.

AFTER-EFFECTS OF MALARIA

TONIC TREATMENT RECOMMENDED AFTER ACUTE DISEASES.

A Kansas Woman Tells How She Grew Stronger Every Day While Taking Dr. Williams' Pink Pills.

As in scarlet and typhoid fever, so in the grip, the after-effects of the disease are often worse than the disease itself. The sufferer is left with a debilitated system, is short of breath upon the slightest exertion and is affected by every change of weather. The system is in such a weakened condition that it is powerless to resist the attack of such diseases as pneumonia and bronchitis.

This is a condition which emphatically calls for a tonic for the blood. Dr. Williams' Pink Pills are the best medicine for this purpose for they act directly on the blood which they cleanse of all impurities. They tone up the nerves and give health and strength to the debilitated system.

That the best tonic for a run-down condition is Dr. Williams' Pink Pills has been proved in thousands of cases similar to that of Miss R. C. Brickey of Pratt, Kansas. She says:

"Some years ago I was troubled all most daily with chills which the doctor said were due to malarial fever. I would get cold and numb all over my body and would shake for hours without getting relief. I would become so nervous that I could not stand. My blood was poor and thin. My complexion was yellow and I kept losing in weight until I was a mere skeleton. I was feverish; good deal of the time and was often confined to bed for a day or so. These spells lasted for about two years.

"The doctor's medicine did not seem to do me any good and upon the advice of my grandmother I began taking Dr. Williams' Pink Pills. I grew stronger every day while taking the pills. The fever subsided and finally the chills left me entirely. I need the pills until I was strong and entirely well."

It is of the utmost importance to your health, if you have suffered from an attack of the grip or fever, that you cleanse the blood of the lingering germs and put it in condition to resist disease. A valuable booklet, "Diseases of the Blood," containing fuller information will be sent free upon request.

Dr. Williams' Pink Pills are sold by all druggists, or will be mailed, postpaid, on receipt of price, 50 cents per box; six boxes for \$2.50, by the Dr. Williams' Medicine Company, Schenectady, N. Y.

Sour Stomach

MI-O-NA PUTS THE STOMACH IN FINE SHAPE IN FIVE MINUTES

If your stomach is continually kicking up a disturbance; you feel bloated and distressed; if you belch gas and sour food into the mouth, then you need MI-O-NA Stomach Tablets.

MI-O-NA stomach tablets give instant relief, of course, but they do more; they drive out the poisonous gases that cause fermentation of food and thoroughly clean, renovate and strengthen the stomach so that it can readily digest food without artificial aid.

MI-O-NA stomach tablets are guaranteed to cure indigestion, acid stomach, nervousness, dizziness and biliousness will disappear. Druggists everywhere and Schramm-Johnson sell MI-O-NA for 60c.

"It was under the care of four different doctors during nine months and was cured of dyspepsia by MI-O-NA."—Mr. Joseph Grondine, 197 Fountain street, Fall River, Mass.

Both's Pills for constipation—25c.

THE CHILDREN ENJOY

Life out of doors and out of the games which they play and the enjoyment which they receive and the efforts which they make, comes the greater part of that healthful development which is so essential to their happiness when grown. When a laxative is needed, the remedy which is given to them to cleanse and sweeten and strengthen the internal organs on which it acts, should be such as physicians would sanction, because its component parts are known to be wholesome and the remedy itself free from every objectionable quality. The one remedy which physicians and parents, well informed, approve and recommend and which the little ones enjoy, because of its pleasant flavor, its gentle action and its beneficial effects, is—Syrup of Figs and Elixir of Senna—and for the same reason it is the only laxative which should be used by the fathers and mothers.

If you would have them grow to manhood and womanhood, strong, healthy and happy, do not give them medicines when medicines are not needed, and when nature requires assistance in the way of a laxative, give them only the simple, pleasant and gentle—Syrup of Figs and Elixir of Senna. As you value the health of the little ones, do not accept any of the substitutes which unscrupulous dealers sometimes offer to increase their profits. Please to remember, the full name of the Company—California Fig Syrup Co.—is printed on the front of every package. To get its beneficial effects it is necessary to purchase the genuine only. Buy a bottle today to have in the house when needed. Put up in one size only. Regular price 50c a bottle and for sale by all leading druggists.
